

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF GEORGIA
ATLANTA DIVISION

UNITED STATES OF AMERICA,

v.

LEWIS MOBELY,

CRIMINAL ACTION NO.

1:13-CR-218-CAP-LTW

ORDER

On December 30, 2014, the magistrate judge issued a report and recommendation addressing numerous motions to suppress filed by the defendant as well as a motion for reconsideration filed by the government [Doc. No. 67]. In addition to timely filing objections to the report and recommendation [Doc. No. 72], the defendant requested a *de novo* hearing on his motions to suppress [Doc. No. 73]. On March 30, 2015, the court held a hearing regarding the motions to suppress, during which the court heard testimony from witnesses and received evidence into the record. Based on *de novo* review of the report and recommendation addressing the motions to suppress, the court finds no merit to the defendant's objections. The court

receives the report and recommendation with approval and adopts it as the opinion and order of this court without modification.

SO ORDERED this 31st day of March, 2015.

/s/ Charles A. Pannell, Jr.
CHARLES A. PANNELL, JR.
United States District Judge
